Summary:

Hello, I'm looking for my first job as a Junior Front-End developer. I have small, commercial experience in developing websites, landing pages, I have HUGE desire to develop, improve and continue! Use my skills in real projects!

Work Experience:

(2018 – today) System Administrator, GROUP OF COMPANIES “FACTOR”

- ✓ Server management, workstations, routers, switches and existing network applications.
- ✓ Monitoring and daily system checks.
- ✓ Diagnostics and resolving various technical issues related to hardware and software.
- ✓ Support for all network systems LAN, WAN.
- ✓ Ensuring network security and integrity.
- ✓ Backup, data recovery in case of failures or other situations, system and data recovery.

(2015 – 2018) System Administrator, Chain of supermarkets «CHUDO»

- ✓ Server management, workstations, computers, laptops, printers, routers, switches and existing network applications.
- ✓ Monitoring and daily system checks.
- ✓ Diagnostics and resolving various technical issues related to hardware and software.
- ✓ Laying, construction, support of all network systems LAN, WAN.
- ✓ Ensuring security and integrity of the network.
- ✓ Backup, data recovery in case of failures or other situations, system and data recovery.
- ✓ Opening new branches, shops.
- ✓ Connecting and configuring commercial equipment.
- ✓ Remote user support.
- ✓ Working with users.
- ✓ Tenders and contracts with equipment suppliers

Education:

KHAI – (2007 – 2011)

Bachelor – Engineer Constructor Aircrafts and Helicopters.

KHAI – (2011 – 2013)

Specialist – Aircraft Testing and Certification.

Additional Education:

Telesens Academy (2015)

QA Core (manual testing WEB, mobile, desktop, UI, checklist, test cases, bug-report)

NT School (2018)

Front-End developer (HTML5/CSS3/SCSS/Flexbox).

A-Level (2018 – 2019)

Full Stack (HTML5/CSS3/Flexbox/JS/Git).

Skills:

- ✓ HTML5
- ✓ CSS3, SCSS
- ✓ Flexbox, Grid
- ✓ JavaScript
- ✓ React
- ✓ Bootstrap
- ✓ JQuery
- ✓ ajax, axios
- ✓ Adobe Photoshop, Figma
- ✓ Git

Additional information:

Now I'm working as a System Administrator, but I want to change my profession and start a career as a Front-End Developer.

In free time, I learn React, JS, Typescript, and English.

I have an understanding and basic experience working with such assemblers as Gulp, Webpack, WordPress, Opencart.

- ✓ Quickly learning
- ✓ Initiative
- ✓ Executive
- ✓ Punctual
- ✓ Hard-working
- ✓ Responsible
- ✓ Great desire to learn and develop to front-end development
